Governors' Mission statement

At An Baya Primary Schools our mission is to educate all children spiritually, intellectually, socially, morally, aesthetically and physically to be able to make a difference by following the example of Jesus in the gospels living out 'life in its fullness.'

The schools aim to achieve this by:

- **Educating for Wisdom, Knowledge and Skills** by following a broad and balanced curriculum that stimulates a sense of curiosity and excitement about the world whilst developing the full potential of all children.
- **Educating for Hope and Aspiration** by providing a safe, nurturing and caring environment where all children can take risks, build resilience, flourish and demonstrate courageous advocacy in action.
- **Educating for Community and Living well together** by building positive relationships with our local, national and international communities and for the schools to be hubs of learning in the community, making a positive difference to children and their families.
- **Educating for Dignity and Respect** by promoting perseverance, generosity, and courage so that children leave our schools equipped with the character virtues to make a difference
